PROFESSIONAL EXPERIENCE

Momentum Learning, Inc.

Durham, NC

Full-Stack Software Engineering Student

May 2019 – August 2019

- Dedicated 12-weeks specializing in highly focused, immersive training centered on Python/Django language fluency, object-oriented programming, and project-based learning
- Completed daily and weekly technical projects solo, in pair programming and in group setting to learn and gain knowledge around current development tools, techniques and best practices
- Developed a web application titled Project Impact, which focused on connecting Foster Children with Mentors through an online platform to empower them and help them achieve their goals

AT&T

Cary, NC

Sales Consultant

January 2018 – May 2019

- Demonstrated cutting-edge technology to a wide-variety of individuals, highlighting features and technical specifications to assist customer decision-making
- Utilized proprietary AT&T software to establish and maintain corporate and consumer service accounts
- Resolved customer concerns by analyzing complex situations and presenting the most appropriate solution
- Acted as a liaison for the company at several events, representing the AT&T brand in a professional manner

Express Permits

Farmingdale, NY

Permit Administrator

January 2010 – May 2015

- Completed, reviewed and submitted building permit applications to various town halls across Long Island, NY
- Provided refinements to the permit application process to improve efficiency and reduce the occurrence of errors
- Coordinated with town hall employees, making revisions to applications when necessary to ensure that permits were processed expeditiously

LEADERSHIP EXPERIENCE

Binghamton University Brazilian Jiu-Jitsu Club

Vestal, NY

President

September 2016 – May 2017

- Delegated duties and responsibilities to six additional E-Board members, utilizing group meetings, email and social media to oversee that tasks were being accomplished with high quality
- Maintained the club's social media presence on Facebook and Instagram to market the club to Binghamton University students and attract potential new members
